

WEBSITE PRIVACY POLICY

Personal data processing notice (GDPR 2016/679 Art. 13)

REASON FOR THIS NOTICE

Described herein is how the personal data of website users are handled.

This notice is provided pursuant to EU Regulation 2016/679 Article 13 to users of the website whose homepage corresponds to the following URL:

<http://www.bfe.it>

This notice is only valid for the **B.F.E. s.r.l.** website; it does not apply to other websites that may be reached through hyperlinks available therein.

Appropriate preventive security measures that encompass technological innovations are applied to personal data processing in such a way as to minimize the risk of destruction or loss, even accidental, unauthorized access and/or operations that are illegal or incompatible with the purposes for which the data were collected. The data are processed solely for the purposes described herein and in other user notices provided at data collection time.

DATA CONTROLLER

The use of this website allows the processing of data belonging to identified or identifiable persons.

The Data Controller is **B.F.E. s.r.l.**, based in Via Tonale 70/A, 24061 Albano S. Alessandro (BG); phone number: 035/584111; email address: sales@bfe.it

DATA PROTECTION OFFICER

No Data Protection Officer (DPO) is available, as this company does not process data belonging to natural persons pursuant to EU Regulation GDPR 2016/679 Art. 37.

DATA PROCESSING PURPOSE

Only technical or occasional maintenance personnel handle data in connection to our web service.

The personal data provided by users who request our services are only used to provide said services and disclosed to third parties only if necessary and for the same purpose.

DATA PROCESSING METHOD

Personal data are processed by means of automated tools for the time strictly necessary to achieve the purposes for which they were collected. Specific security measures are taken to prevent data loss, illicit or incorrect use and unauthorized access.

DATA DISCLOSURE AND DIFFUSION

The personal data related to the processing in question shall not be disclosed in any way to third parties.

TYPES OF DATA PROCESSED

BROWSING DATA

During normal website operation, computer systems and software procedures acquire personal data through regular Internet communication protocols.

These data are not associated with any special interest, but users could be identified through them if processed and cross-referenced with third-party owned data.

These data include computer IP addresses and domain names of the users who browse our website, URI addresses of requested resources, time of request, server request submission method, return file size, server response code (success, error, etc.) and other user operating and IT system parameters.

These data are used only to obtain anonymous statistical information on website use and monitor its correct operation and are deleted immediately after processing. They could also be used to investigate computer crimes against the website.

USER DATA PROVIDED ON A VOLUNTARY BASIS

Sending clearly expressed email on an optional and voluntary basis to the addresses shown on this website entails that B.F.E. s.r.l. will acquire the sender's address in order to answer his or her request, in addition to any other personal data included in the message and any attachments thereto. In this case, providing an address and other necessary data is optional, but the request cannot be answered otherwise. By sending email, users authorize B.F.E. s.r.l. to process their data in order to answer their requests.

In case material is requested to be sent, B.F.E. s.r.l. may disclose the necessary shipping data to postal services and couriers.

B.F.E. s.r.l. can process paper and electronic data manually and by computer means.

COOKIES

See our [COOKIE POLICY](#) for the use, type, purpose and handling of cookies.

DATA STORAGE PERIOD

Personal data are processed by means of automated tools for the time strictly necessary to achieve the purposes for which they were collected.

DATA SUBJECT RIGHTS

Data subjects may exercise the following rights at any time:

- request confirmation of personal data existence or otherwise.
- obtain information on processing purposes, personal data categories, past and/or future personal data recipients or recipient categories and/or storage period when possible.
- obtain data correction and deletion.
- obtain processing restrictions.
- obtain data portability, i.e. receiving one's machine-readable personal data from a data controller and sending them to another data controller without hindrance.
- object at any time to the processing, also in connection to direct marketing.
- object to automated decision-making processes regarding natural persons, including profiling.
- file complaints with the Italian Data Protection Authority.

Email your requests to the Data Controller at info.hospice@pfiglie.org

We will make every effort to make our website as interoperable as possible with automatic privacy control mechanisms available in products that users may adopt.

As automatic privacy control mechanisms are not error-free, please note that this document, published at
